Tony Morabito Memorial Dedicated Today

Exactly three years ago today, funeral services for Anthony J. (Tony) Morabito were held at St. Catherine's Church in Burlingame.

Three days before, the founder and principal owner of the 49ers had died of a heart attack while watching his team play the Chicago Bears here at Kezar Stadium.

Those close to the 49ers will never forget the dramatic way in which they fought back in the second half from a 7-17 deficit to upset the Bears, 21-17, after they had been informed of Tony's death. It was the most fitting way they could have expressed the admiration and esteem they held for the stocky little owner who gambled not only his worldly possessions but also his life on the success of professional football in San Francisco.

Recently, at the suggestion of James Prisin-Zano, prominent local attorney, the Park and Recreation Commission approved the establishment of a memorial bench and plaque at Kezar as a memorial to Tony. With Mayor George Christopher as honorary chairman, a committee was formed to provide the necessary funds. The committee, headed by Marshall Leahy and with Mr. Prisin-Zano and George B. Pottorff in key roles, found that it had embarked on an exceptionally popular venture in contacting Tony's friends. The fund was oversubscribed within several weeks.

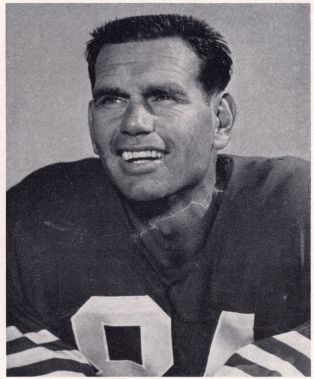
Today's dedication ceremonies before the game will be brief for the committee knows well that personal recognition was something Tony always studiously avoided. All he asked, as the 16 players from the 1957 squad who are still with the 49ers will remember, was a team that never stopped battling.

* * * *

It was fitting that it was Billy Wilson who caught the winning touchdown pass against the Bears in that memorable '57 game because the rangy flankman was always one of Tony's favorite players.

Billy won't be performing this afternoon for last week he accepted an invitation to join the 49er coaching staff. In nine full seasons and one third of a tenth, "The Goose" established himself as second only to Don Hutson in the pass-receiving department.

Hutson, in 11 campaigns with Green Bay, caught 489 aerials. Wilson's total was 407. This is all the more impressive when you realize that now the top figure for an active player in the NFL is 218 by Harlon Hill of Chicago (going into this season).



BILLY WILSON

Billy was a 22nd draft choice as a "red shirt" (additional college eligibility) in 1950. Joining the 49ers from San Jose State in 1951, he immediately teamed with Gordy Soltau to give the 49ers a combination that became the most feared in pro ball. (Soltau, incidentally, is tied for seventh place among the all-time receivers with a total of 328.)

Billy tied for the league lead in 1955 with 53 catches, then grabbed the No. 1 spot in 1956 with 60 and again in 1957 with 52.

A 1959 quotation from Head Coach Red Hickey explains why he was anxious to have Wilson on his staff:

"Billy's value to the 49ers isn't restricted to his pass receiving. He is a wonderful team man, an inspiration to other players. He works harder in practice than the greenest rookie. After a game you can ask him how many passes he caught and he can't tell you. He's concerned only with the team effort."

Today's Half-Time Guest Band

Tulare Redskn Band at Inaugural Parade for President Eisenhower, 1957.

The 120-piece Tulare High School Redskin marching band has won wide acclaim for both its marching ability and its music.

Perhaps the highlight of the band in recent years was its participation in the 1957 parade in Washington, D.C., for the inauguration of President Dwight D. Eisenhower.

It was judged the best high school band in the procession.

But before that—and since—the band has made its mark in California.

For 10 years it has participated in the annual All-Western Band review in Long Beach on the Saturday after Thanksgiving. In each of those years it has either taken first place or ranked among the top three in its division. That's for marching and music.

For 11 straight years it has received superior ratings in state music festivals for its concert music.

The band is directed by Gordon E. Lowe, who has been at its helm since 1949. Other highlights of its history have been participation in the East-West game in San Francisco in 1952 and the Rose Bowl parade in Pasadena in 1953.

Sue Poston, Head Majorette, Tulare High School.

Please Keep the Field Clear

The Recreation and Park Board, the police department and the 49ers sincerely request your cooperation in keeping the playing field clear—before, during and after the game.

Game officials are under instructions from Commissioner Pete Rozelle of the National Football League to halt play when spectators go on the field or mill around the sidelines.

This rule is primarily for the protection of the fans. Several years ago a young boy narrowly escaped serious injury or even death when he was caught beneath an avalanche of people—adults as well as children—racing onto the field.

Parents, in particular, are urged to warn their children of the danger involved in leaving their seats and going on the field.

All of us are here because we enjoy football. Let's make sure that this enjoyment is not wiped out by a serious tragedy.

THANK YOU

All 13 National League Professional football teams chose **UNITED AIR LINES** for team travel this year.

The big reason more athletic organizations chose **UNITED** is the *extra care* **UNITED** takes with every detail of their trips... from the planning to the personal, attentive, dependable service.

For reservations on United Jet Mainliners call your Travel Agent or United Air Lines.

There's a lot of satisfaction in pointing out something good to a friend. That's why it sometimes happens that one cigarette out of a pack of Dual Filter Tareytons never does get smoked.

People break it open to show its unique Dual Filter containing Activated Charcoal. They may not know why it works so well, but they do know this: It filters for *flavor*—the *finest* flavor by far. Yes, above all, Tareyton has the taste . . . and the Dual Filter does it!

Try a pack of Dual Filter Tareyton. We believe the extra pleasure they bring will soon have you passing the good word to your friends.

Tareyton has the taste—
DUAL FILTER DOES IT!

HERE'S HOW: 1. It combines a unique inner filter of ACTIVATED CHARCOAL . . . definitely proved to make the taste of a cigarette mild and smooth . . .

2. with a pure white outer filter. Together they select and balance the flavor elements in the smoke. Tareyton's **flavor-balance** gives you the best taste of the best tobaccos.
